

# Line Symmetry

Add the number of squares specified so that the lines shown are all lines of symmetry

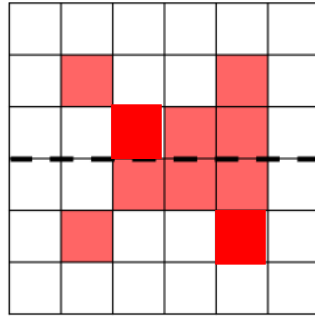

**(a)**

Add one square

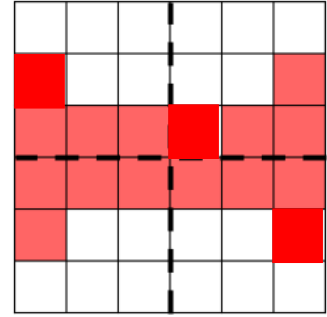

**(b)**

Add two squares

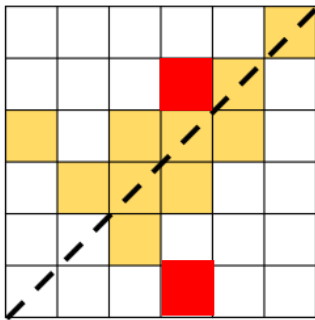

**(c)**

Add three squares

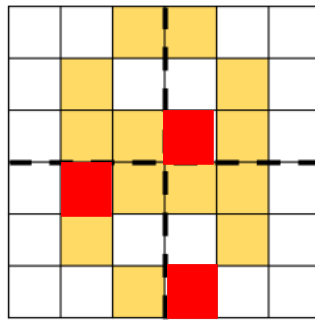

**(d)**

Add two squares

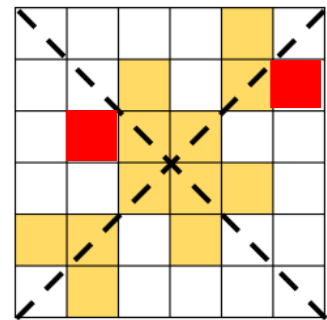

**(e)**

Add three squares

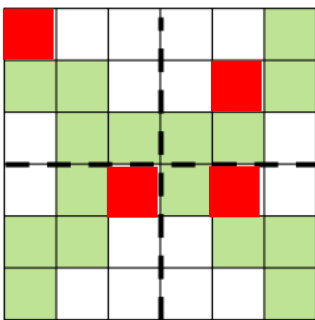

**(f)**

Add two squares

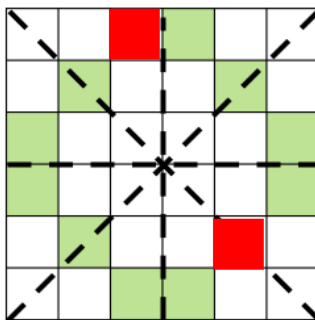

**(g)**

Add four squares

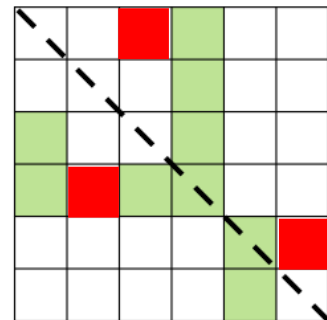

**(h)**

Add two squares

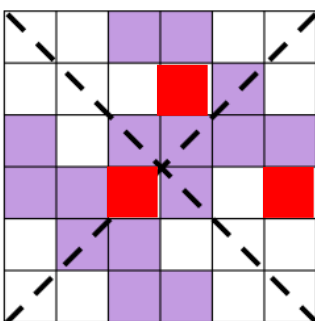

**(i)**

Add three squares

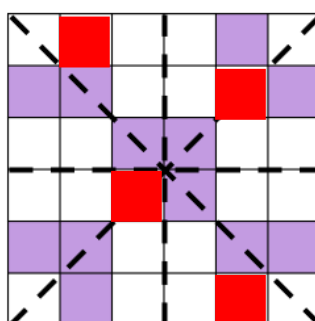

**(j)**

Add three squares

**(k)**

Add four squares

**(l)**

Add four squares
